SUITABLE FOR IVECO

INTRODUCTION

Today Bon International exports various goods to many countries with its own registered brand “BON” assesses its experience in international markets.

We are one of the oldest automotive component exporters for Indian and European trucks and trailers. Our presence is spread over Asia, Europe and America. We also do business in countries like South Africa, Australia, Dubai, Turkey and many other countries. We believe in Precision, Ingenuity and Innovation. We employ the latest techniques in manufacturing and strive to develop better technologies that not only help our clients but are also beneficial to the end users. Today the export business house of “BON INTERNATIONAL” is being looked after by Mr. Durgesh Ramesh Mehta, son of Late Mr. Rameshbhai, who joined “Bon International” in the year 1980.

VISION

Precision- Ingenuity- Innovation

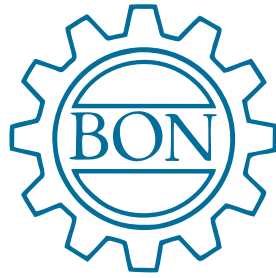

This is the motto that stems from a company with a wide base of operations spanning 3 continents and 10 countries. We make precision parts with ingenious techniques that leads to innovation. We were BORN to excel and that is what we do.

MISSION

We strive to be the premier destination for businesses as well as consumers for precision automotive parts. We are driven by an innate passion for brilliance and excellence. Our aim is to provide the automotive industry with a level of quality that not only sets us apart but also increases the quality exception from the industry on the whole. With a wide global presence we not only have the means to survive in the global market but also the expertise required to thrive in it. Today like the prism we have spread our aura of being professionally managed and committed organization over several countries. We are strategically located in the financial and trade hub of India, Mumbai. We have an excellent network and tie-up with logistics services to connect at the earliest to meet your sensitive deadlines. We have an efficient and dedicated team to understand, execute and deliver job on time.

Thanks for picking up our catalog. If you've got questions or feedback, let us know. Bon will continue to maintain its position as the market leader. We sincerely welcome old and new customers to visit, guide, negotiate and co-operate with us to make the win-win situation.
